FOSTERING

FOSTERS NEEDED

Christine Jenkinson

Kitten season is upon us, and we are looking for foster homes.

The keyword being “homes.” A loving, caring, nurturing atmosphere is exactly what we’re looking for.

“I love helping them, seeing them thrive and the sick get better,” Tiffany Morales, SPCA foster home since 2015, said.

Do we have your attention? Good. There are different kitten situations where fosters are needed:

- Pregnant cats
- Mom cats with kittens
- Kittens without moms
- Bottle-fed baby kittens

Are cats not your jam? Not to worry, we also are in need of fosters for dogs:

- Puppies without moms
- Large breed dogs with puppies

So you’ve chosen to foster one of the above. What now? There are a couple of necessary steps to secure your place as a foster home.

First, have an area away from other pets. While it is important to slowly and carefully introduce fosters to other people, animals, sounds and scents, please make sure to have space where they can have time to decompress.

This space should be easy to sanitize and clean.

For cats, a large walk-in bathroom would work just fine. Dogs will need a bigger room.

Now for the fun part: how much will this cost me? Nothing!

All we ask is that you bring your foster back for exams and other medical appointments.

“When it’s time for the fosters to leave, Morales said it best: “your home is then open for another group of fosters that need love.”

In Raina Daveduk’s case, she received orphan kittens who were hissy at first, but through picking them up and slowly exposing them to her pets, those kittens left her house ready to take on any animal or person.

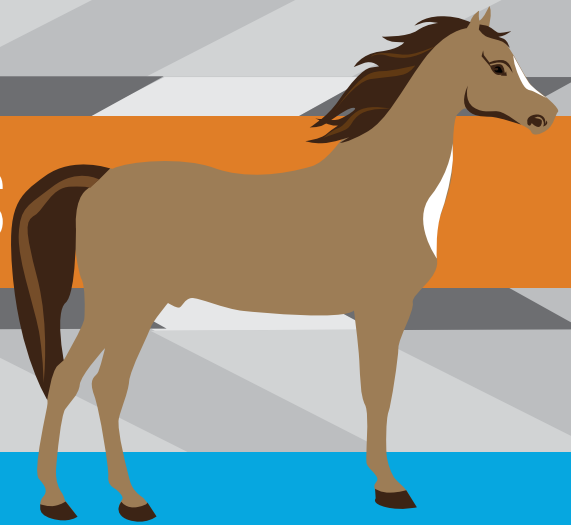

She has been an SPCA foster home for two years and has been grateful for her fostering experience.

Have we convinced you to be the first great step in an animal’s life?

Email us at info@medinacountyspca.com for more information or an application.

DEDICATED HEARTS

JACK KNUE Horse Whisperer

Carla Boyle Small

It is no secret that the Medina County SPCA relies heavily on the work of its volunteers to carry out its mission. From the front lines caring for our animals, to those who support us financially, to our Board of Directors, we would not be where we are today, without them. We are forever grateful and continue to be in their debt.

Volunteers are a rare breed. They show up, not for money, or fame or even glory, but for a purpose, something deep inside of them, that has to make a difference. They are committed, loyal and ever giving of themselves and their time. As the American Military General and Aviation pioneer James Doolittle once said; "There's nothing stronger than the heart of a volunteer."

The Medina County SPCA would like to honor one such volunteer as our Volunteer of the Year. This volunteer ex-

emplifies these qualities and always goes above and beyond to help the animals. I'd like to introduce you to Jack Knue.

Jack is currently a regular volunteer at the SPCA's horse barn, but has been associated with the Medina County SPCA since 2011. Over the past ten years, he has helped with a number of activities; fund raising, event meetings, adoptions, dog walking and currently our beloved horses. You can usually find him at the barn on Wednesday, Thursday and Saturday mornings. Fresh water and hay, check, cleaning out stalls and the arena, check, making sure our horses are taken care of in the best possible way, absolutely. Plainly put, the horses love Jack. Even our feistier ones; (I think we all know who I am talking about) look forward to Jack's weekly visits. Always going beyond, he will also tend to the horses that are sick; whether it's cleaning out hooves or applying medicine, he truly cares. Ever modest, Jack credits his talents with the training he was given when he first started working with the horses. While maybe so, it's Jack's continued commitment to the horse's care and wellbeing that make him a such a great volunteer.

Jack has lived a storied life. Born in Indiana and raised in the southwest Chicago suburbs, he spent almost 30 years living in Alaska. An Airforce veteran, his adult children continue to live there with his grandchildren and he visits as often as he can. He currently lives in Medina with his beloved Marlene, a rescue dog and two rescue cats. Spend some time with Jack and you won't regret it. His stories are fun, fascinating and you might learn a thing or two, maybe about the game of Hockey or that it is possible and quite doable, to drive from Medina County, Ohio to Alaska... Jack's done it many times.

From this writer to the Board of Directors to all of the Medina County SPCA, we honor our Volunteer of the Year; Jack Knue and thank him for his service and dedication to what it's all about; **the animals.**

FUNDRAISING NEWS

NEWLY NAMED PETCO LOVE INVESTS IN LIFESAVING WORK OF MEDINA COUNTY SPCA

Dawn Marzano

Grant of \$14k will help save more pet lives in Medina County

In April, the newly named Petco Love announced a \$14,000 grant investment to the Medina County SPCA to support our lifesaving work for animals in the county.

Petco Love is a nonprofit leading change for pets nationally by harnessing the power of love to make communities and pet families closer, stronger, and healthier. Since their founding in 1999 as the Petco Foundation, they have empowered organizations with nearly \$300 million invested to date in adoption and other lifesaving efforts. And they have helped find loving homes for more than 6.5 million pets in partnership with Petco and more than 4,000 organizations, like ours, nationwide.

“Petco Love announced an investment in the Medina County SPCA and hundreds of other organizations as part of our commitment to create a future in which no pet is unnecessarily euthanized,” said Susanne Kogut, President of Petco Love. “Our local investments are only one component. We also launched the first of our national tools to empower all animal lovers to drive lifesaving change right alongside us.”

“We are so excited that Petco Love wanted to invest in our organization and partner with us,” stated Tracey Miller, Director of Operations, Medina County SPCA. “Their support means the world to us. This grant money will be used toward

the purchase of a new transport vehicle for our Humane Officer to help rescue and save animals and pets in at-risk situations in our own community. Our current transport vehicle has high mileage and often requires expensive repairs, so this gift could not have come at a better time!”

The mission of the Medina County SPCA is to protect and care for animals in our community from abuse, cruelty, neglect, injury, and abandonment. Founded in 1985, we are an independent, non-profit, local shelter with no ties to any national organization or rescues. In 2020 alone, 1,225 animals were successfully adopted through the Medina SPCA Shelter.

HERO CAMPAIGN

THANK YOU, HEROES!

Dawn Marzano

The Medina County Society for the Prevention of Cruelty to Animals (SPCA) would like to extend a sincere thank you to those donors who helped make our 2020 HERO Campaign a success. The campaign, which ran from October 15 through December 15 requested items such as food, treats, blankets, toys, and monetary donations to provide for housing, medical funds, and veterinary care. Thanks to the generosity of two donors, all HERO Campaign donations were matched dollar for dollar, ultimately allowing us to meet our campaign goal.

“This past year was so unpredictable due to the pandemic, and unfortunately, we were forced to cancel our major fundraisers leading to a significant loss of income for our organization,” stated George “Hub” Marquis, President, Medina County SPCA. “Yet, even during these uncertain times, the generosity of our donors has been amazing. Their unwavering support has allowed us to continue our mission of protecting and caring for the animals in our community. On behalf of the Board, staff, volunteers, and the animals... **THANK YOU, HEROES!**”

Supplies Needed

With kitten season quickly approaching, we have found that we are in need of supplies to continue to provide quality care to the kittens not only at the shelter, but in foster homes as well.

The following is a list of supplies needed:

- KMR or Breeders Edge powdered kitten milk formula
- Purina Kitten Chow
- Clay and scoopable litter
- Paper towels
- Miracle nipples found on Amazon
- Heating disks (to keep kittens warm)
- Small food boats from GFS or Amazon
- Baby scales

If you're someone who is more comfortable not leaving their house (sofas and pj's are obviously better than getting dressed and going out...no judging), gift cards to Chewy and Amazon would also be a huge help.

Thank you very much for your contribution to the Medina County SPCA. Every item helps all of the animals at the shelter and foster homes.

Even if fostering is not your style of helping, there are many other ways to benefit our furry friends.
